BASIC RIDER COURSE POLICIES

Students successfully completing either RiderCourse will receive a MSF course completion card which may entitle you to a **10% limited Massachusetts motorcycle insurance discount (you should check with your insurance company for details as some insurers may treat things differently).**

As a condition of passing the course students must attend all classroom and practice riding sessions and pass both a multiple-choice knowledge test and a riding skill evaluation to graduate from this course.

Students that are not Massachusetts residents are invited to take this course. However, not all states recognize this program. Please check with your local Motor Vehicle Department to be sure.

Students under the age of 18 who want to qualify for licensing must also have a driver education certificate issued by the Registrar and have held their driver or motorcycle learner's permit for a full six months prior to the application for the motorcycle endorsement or license. Please call our office with any questions on this matter.

These courses emphasize the risk involved with riding a motorcycle. These risks also exist while performing practice exercises during the course. Students should be able to, at minimum, balance and ride a bicycle.

Students unable to keep pace with the class or who pose a hazard to themselves or others may be dismissed from the class by the instructor.

There will be no refunds, pro-rated or in full, should they be dismissed by the instructor.

Statewide the vast majority of students successfully complete this course their first time. Please understand that these courses have group learning format severely limiting the coaches opportunities to provide one on one instruction time. The course runs rain or shine so plan appropriately.

ALL STUDENTS MUST BRING TO CLASS:

- Valid driver's license with motorcycle endorsement or motorcycle learner's permit (However, student must have learner's permit PRIOR to the course to qualify for licensing and an exemption from the Registry's road test for a motorcycle endorsement on their license.) Out-of-State residents need only provide a copy of their home-state driver's license to participate.
- A photocopy of the original motorcycle learner's permit
- Pen or pencil for taking notes

Prior to starting the class ALL students must sign a waiver and hold harmless agreement and notify the rider coach of ANY medical issues that may influence your ability to ride.

ALL STUDENTS MUST BRING TO PRACTICE:

- DOT-approved helmet ; 3/4 or full coverage only allowed on practice area (Note: Rider Skills has some helmets on site but students are urged to bring their own DOT approved helmet to class.

- Sturdy over-the-ankle footwear (Note: high top sneakers are NOT acceptable)
- Full-fingered gloves
- Long sleeve shirt or jacket
